Magic Star Wand

You need:
- Crayons or markers
- Scissors
- Tape
- A straw or craft stick

1. Color the big star as brightly as you can.
2. Cut out the star. Ask a grown-up for help with scissors.
3. Tape the star to the top of your straw or stick.
4. Wave your wand and make a holiday wish!

Star + handle strip.

Loved it? Two small favors

1 - LEAVE A SHORT REVIEW

Reviews are how other teachers and families find a small shop like ours. If this sampler helped your class, open the sampler in your Etsy purchases, tap the stars, and write one sentence - what you printed and which class you used it with. Honest is perfect. It takes about a minute.

2 - PASS IT ON

Know a teacher or a family who would enjoy this? Send them the shop link. This sampler is $5.49 in the shop, and with a school code it is just $0.50 at checkout. If your school has its own code, please share it with the other teachers at your school so they can use it too. No code yet? Use CLASSROOM26, good through December 3, 2026. One more thing: the rest of the shop is on Hanukkah sale - 30% off through November 26, 2026. Prices may vary.
